Develop a sound sense of discipline, character, initiative and a solid academic background. You must devote yourself whole-heartedly to your studies, for that is your first obligation to yourselves, your parents and to the State. You must learn to obey for only then you can learn to command.

Quaid-e-Azam Muhammad Ali Jinnah

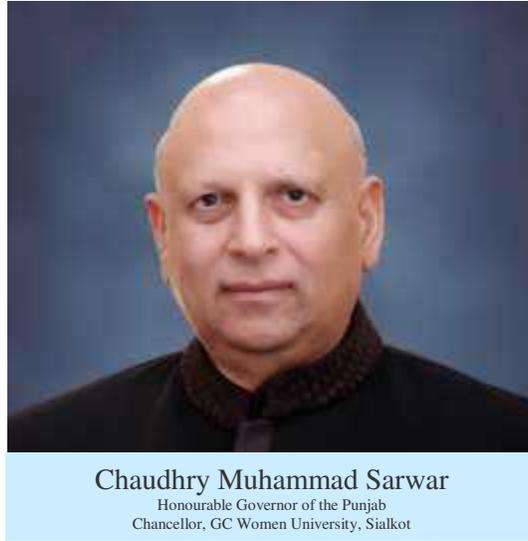

پیغام اقبال

زندگی کچھ اور شے ہے، علم ہے کچھ اور شے
زندگی سوز جگر ہے، علم ہے سوز دماغ
علم میں دولت بھی ہے، قدرت بھی ہے، لذت بھی ہے
ایک مشکل ہے کہ ہاتھ آتا نہیں اپنا سراغ
اہل دانش عام ہیں، کم یاب ہیں اہل نظر
کیا تعجب ہے کہ خالی رہ گیا تیرا ایام
شیخ نکتب کے طریقوں سے کشادہ دل کہاں
کس طرح کبریت سے روشن ہو بجلی کا چراغ

Chaudhry Muhammad Sarwar
Honourable Governor of the Punjab
Chancellor, GC Women University, Sialkot

Education is a fundamental human right-one that all individuals are entitled to enjoy irrespective of their caste, creed and religion. This is also enshrined in our constitution. No one can deny the positivity and benefits which are brought to a society by education. For holistic set of benefits, it is necessary to ensure that it is inclusive, and women are part of thereof. Education of women is vital for the substantial, social and economic progress of a country.

I have the firm believe that the universities and institutions of higher learning can help women to achieve multiple internationally agreed upon development goals. The government is fully cognizant of the potential benefits of a university that focuses exclusively on fostering and nurturing the innate potential and skills of young women. Establishment of Government College Women University, Sialkot is a step towards this end.

A high literacy rate of the city is testament to the fact that education system is based on strong foundations. The city already boasts of several renowned figures from all walks of life. With this new edition in the city of Iqbal, women's education is expected to be at par with men. Women empowerment through introduction of new courses of study, new disciplines and new initiative, aiming to produce peaceful, tolerant, preserving and responsible citizens is the way forward for the university.

On new academic year/ session, I, as Chancellor of GC Women University Sialkot, would urge upon the Vice-Chancellor, Faculty administration and staff of the university to maintain highest standards of professionalism in educational activities and academic practices.

At the same time, I would advise the fresh entrants to fully benefit from this opportunity to pursue higher education in realization of their aspirations and dreams. I wish them a productive and inspiring educational experience at the university.

CHANCELLOR

Mr. Raja Yasir Hamayoun
Honourable Minister for Higher Education, Punjab
Pro-Chancellor, GC Women University, Sialkot

This is an era of Higher Education as it enables the individuals to expand their knowledge and skills, express their thoughts clearly in speech and writing, grasp abstract concepts and theories and increase their understanding of the world and their community. In this regard, varsities play an active and pivotal role.

Govt. College Women University Sialkot has a long history dating back to 1951, when it was upgraded to a College from Gandha Singh High School and was subsequently upgraded to a university in 2013. It enjoys the prestige as an institute producing energetic and devoted minds to resolve the issues on scientific grounds. Its alumni are serving at key positions all around Pakistan.

I believe that Govt. College Women University Sialkot students are blessed ones who avail themselves of the opportunity of getting education at such revered and prestigious university of the country and in future they will contribute to the variety of fields not only in Pakistan but also abroad.

PRO-CHANCELLOR

I welcome you to Government College Women University Sialkot (GCWUS), a prime partaker in imparting education to women in Sialkot, the city of Allama Muhammad Iqbal, Faiz Ahmed Faiz and many other prominent figures in almost all fields of life. Established in 1951 as a college, it is one of the oldest colleges in Pakistan and Sialkot's oldest institution of higher learning. From a very humble beginning it emerged as Sialkot's most distinguished and iconic educational institution for girls, resulting in its up graduation as a University in 2013. This prestigious seat of learning is striving hard to impart quality education to Pakistani women to meet national and global challenges toward accomplishing its mission, i.e. to produce women work force to cater the country's current and future needs. The degree of GCWU, Sialkot represents certification of competence, beneficial employment, livelihood, prosperity and a well-groomed personality. Thus, the graduates have the ability to handle challenges posed by future with confidence, dignity and proficiency. The project of Aiman Abad Campus, after its completion, will also provide world class education to local, national and international students.

Prof. Dr. Rukhsana Kausar
Worthy Vice Chancellor,
GC Women University, Sialkot

GC Women University, Sialkot is dedicated to the promotion of quality education in a wide range of contemporary disciplines. The high standards set by GCWUS have made it the first choice of many aspiring students not only in Sialkot region but also in different provinces of Pakistan. In addition to undergraduate programs, GCWU, Sialkot has amplified its offerings to graduate and postgraduate programs including MS & Ph.D. in different disciplines. The curriculum is upgraded on regular basis to keep abreast with the current trends in academia and the local, national and international job market.

GC Women University, Sialkot is very fortunate to have highly qualified, outstanding and dedicated faculty that is committed to impart quality education, research skills, sense of civic responsibility, volunteerism and inquisitiveness among students. The University has State of the Art Class rooms, Science laboratories, Computer labs, library, hostel facility, Daycare Center, Healthcare Center, and transport facility, Psychological counseling series and Career Counseling Facility. Its Finishing School instils grace, etiquette and vital leadership skills in graduating young ladies. GCWU is the first Women University in Sialkot which manifests universally realized fact that women play a pivotal role in a country's progress. Our vision is to empower a diverse community of female students by inflaming their intellect, stirring their creative faculties and finding true success through high quality teaching and learning. Our challenge for the future is to establish ourselves firmly among the nation's leading Universities through academic excellence and research output. I hope you will support us in our endeavours aimed at women empowerment amply reflected in Mohammad Ali Jinnah's words:

"There are two powers in the world; one is sword and the other one is pen. There is a great competition and rivalry between the two. There is a third power stronger than both, that of the Women."

منزل ہے آگے، بڑھ کر منزل تلاش کر
مل جائے تجھ کو دریا تو سمندر تلاش کر
(اقبالؒ)

VICE-CHANCELLOR

Welcome to the University

In the heart of the city of Iqbal, stands an alma mater which has been transmitting knowledge and tradition to the posterity for more than half a century now. This is Government college Women University; the best education providing institution in the vicinity. Government College Women University formerly known as Government Post Graduate College for Women is a generation old and the largest academic institution in the area. Its grandeur bespeaks its glorious history and the journey it has taken. It remains an honour for the institution till date that it was founded by Madr-e-Millat Mohtarma Fatima Jinnah in December 1951 with only 30 students and 10 faculty members. Miss Munimmudin was the founder Principal of the institution. Once this institution was established, it grew bigger and bigger. This renowned Degree College was upgraded to Post Graduate College in 1989, offering Masters in English, Urdu and Islamic Studies. Taking into consideration the quality education imparted by the college and the need of the hour, BS programme was started in 2010 by Higher Education Department. This initiative gave a forward thrust to the academic activities and the college was duly upgraded into university in 2012. Prof. Dr. Nizam-ud-Din the Vice Chancellor, University of Gujrat, was given the additional charge in 2013. Prof. Dr. Farhat Saleemi, took over the charge as the first regular Vice Chancellor in September 2014 and the journey continued with a double pace due to her day and night efforts in this regard. After completion of her tenure, Prof. Dr. Hafiz Khalil Ahmed took over the charge as an Acting Vice Chancellor and managed university administration affairs in an expert manner. Recently, Prof. Dr. Rukhsana Kausar has joined as Vice-Chancellor of GCWUS, and it is expected that university will be rising above others with a tremendous speed under her dynamic leadership.

Miss. Munimmudin

Prof. Dr. Nizam-ud-Din

Prof. Dr. Farhat Saleemi

Prof. Dr. Hafiz Khalil Ahmed

Vision & Mission

Vision

To be a globally recognized university that contributes towards the development of society, continual innovation in education, research, creativity, entrepreneurship and women empowerment through quality higher education.

Mission

To produce highly skilled women work force to cater the country's current and future needs, especially for the transformation of the society to a Patriotic, Productive, Tolerant and Cooperative Society through

- Creation of Knowledge
- Dissemination of Knowledge
- Preservation of Knowledge
- Engagement and Outreach

Objectives

- To provide female students an independent atmosphere to excel in their respective fields.
- To provide students with the abilities, attitude and skills they need to become effective employees in a rapidly changing age of technology.
- To produce graduates with the ability to evaluate and solve complex technical/social/other national problems
- To provide students with the skills necessary to continue further formal education.
- To produce knowledgeable graduates who are of the expected standards of ethical and professional conduct.

Office of the Registrar

The Registrar's Office at GC Women University Sialkot was established with the establishment of the University and it has been acting as a supervisory body and as a support system within university. This office assists in the execution and application of rules and regulations, recommendations, recruitment process and other administrative tasks. The Registrar's office is liable to make smooth the academic experience of the students of GC Women University Sialkot, from the registration to their graduation. It helps to manage academic and administrative policies; as well as offers assistance in the development or revision of University policies and procedures.

Office of the Controller of

The office of the Controller of Examinations at GC Women University Sialkot is chiefly responsible for the conduction of exams in a well-organized manner. This entails the preparation of date sheet, examination schedules, compilation of results, processing of transcripts, degrees, certificates, diplomas, supplements and the management of the external examination system for the courses that have been taught throughout the running session. It is also responsible for all the matters related to convocation.

Office of the Treasurer

The function of this office is to maintain and improve the university's financial position. It maintains university accounts, prepares all financial reports, prepares annual budget and provides advice on all financial matters. It has responsibility of expenditures, savings, dealing in funds. It also monitors the purchasing of moveable and immovable assets. It manages collection of fee and timely refunds (if any).

Quality Enhancement

The Quality Enhancement Cell was established to methodically implement the quality enhancement procedures and criteria to attain improved levels of compatibility and competitiveness at institutional and program level. The QEC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the university. The QEC may channelize and systematize the efforts and measures of this institution towards academic excellence. The QEC attempts to be a driving force for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality.

Office of Research, Innovation & Commercialization

Higher Education Commission accredited the establishment of Office of Research, Innovation and Commercialization (ORIC) at GC Women University Sialkot with a notification (July 12, 2016), after which GCWUS is now eligible to receive funds from HEC. ORIC organizes research activities such as Training workshops, seminars, conferences in collaboration with HEC. ORIC endeavours for marketing of research for commercialization, networking events for business and industry for establishment of linkages.

Planning and Development

Planning and Development Cell has been established at GC Women University Sialkot with the aim of achieving the goal of bringing the University at par with the best universities in the country. The P & D cell has been working actively on different development projects, hence improving the pace of progress.

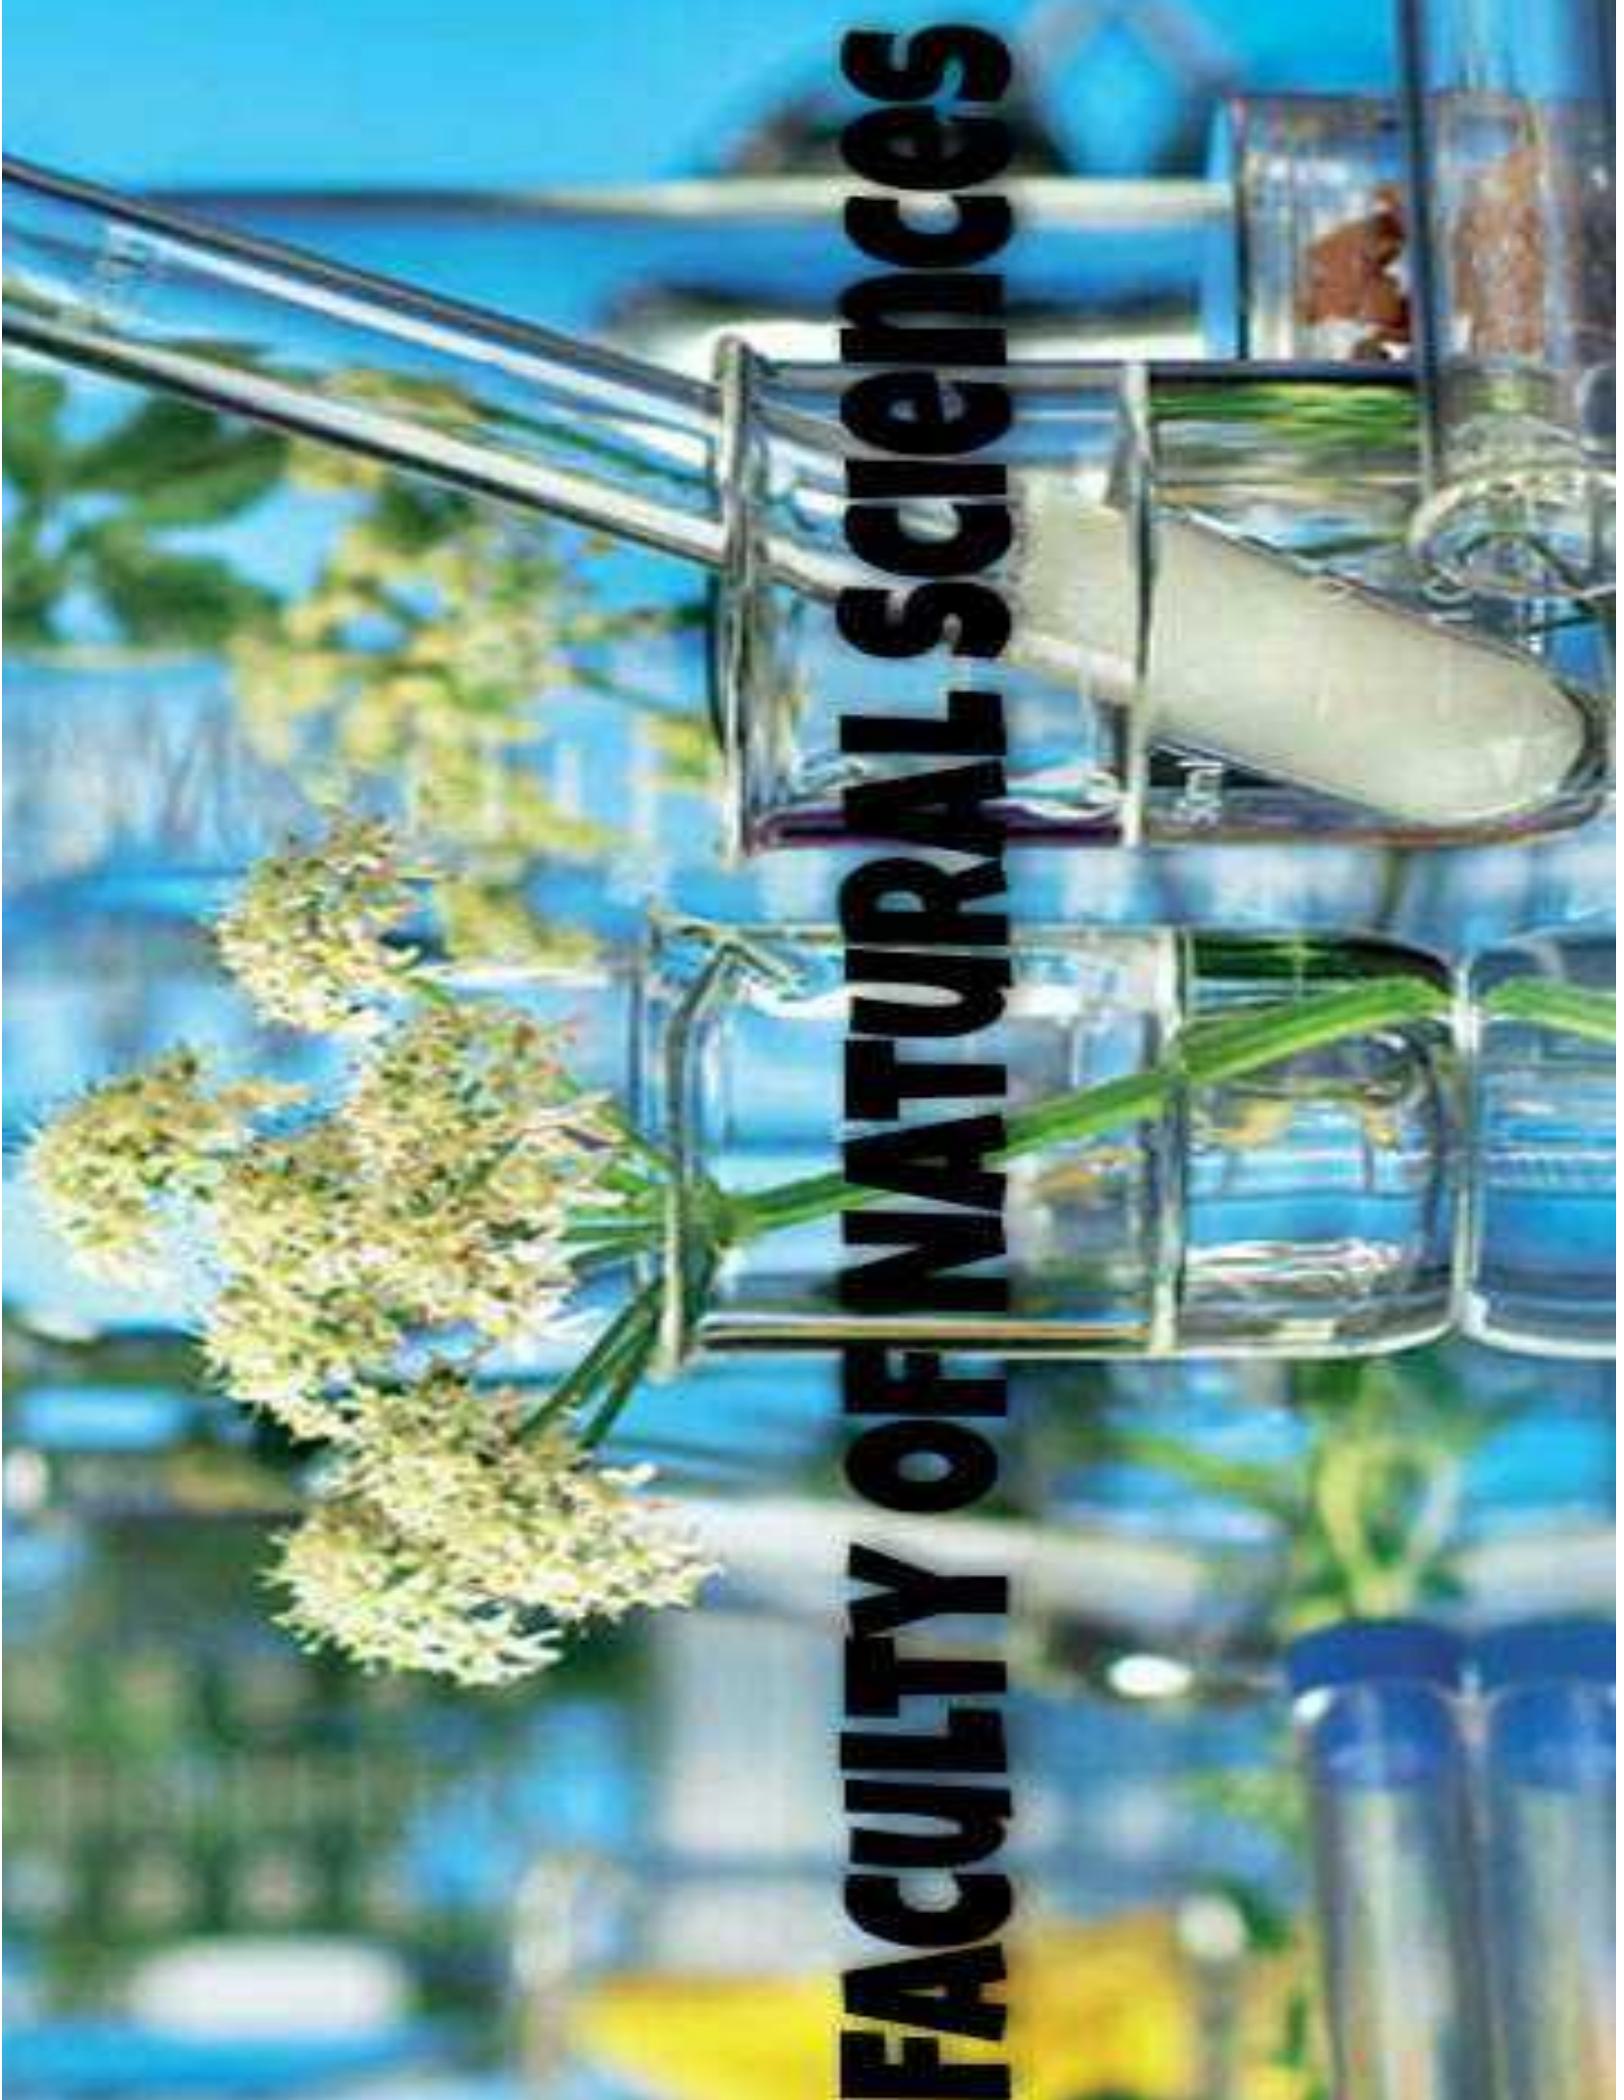

IT Support Center

IT Support Centre has been established in GCWUS to provide the most effective innovative, computing, communication and data services to its faculty, staff and students, with the view to strengthen the competence of its academic enterprise. The Information Technology Support Center (ITSC) deals with the growing IT related needs of the GCWUS' community. Information Technology Support Center specifically provides:

- Hardware Maintenance/Support
- Network
- Campus Management Solutions
- Website Development
- Official Email
- Software Development
- Audio/Video Lecture/Conferencing
- Online complaint Management System

Students' Affairs Office

Students' affairs office was established at GC Women University, Sialkot on 3rd February 2017. This office is meant to provide guidance, counseling and more flexible educational environment to students. The main purpose of this office is to provide the required support for academic activities as well as to motivate students for personal, social, cultural and cognitive development. It aims to enhance the curricular and co-curricular abilities of students. This office also serves as a bridge between administration and students.

FACULTY OF NATURAL SCIENCES

Botany

Department of Botany

Introduction

The Department of Botany was established in 2010. The Department of Botany currently offers BS, M.Sc., MS and PhD programs. The Department focuses to involve the students in academic activities under the guidance of qualified faculty members. A number of research articles by the faculty members have been published in the well-known national and international journals. After completion of the undergraduate and post-graduate programs the students can practice careers in Horticulture & Landscaping, Agriculture, Educational Institutes, Forest Agencies, Conservation and Environmental protection agencies etc.

Faculty

Name	Qualification	Designation
Mrs. Khadija Tul Kubra	M.Sc.	Professor

Academic Programs

The following academic programs are offered.

- BS, 4-Year Program (Morning and Self-Support)
- M.Sc., 2-Year Program
- MS, 2-Year Program
- PhD, 3-5 Year Program

Eligibility Criteria

- **BS 4-year:** The candidates seeking admission in BS program must have:
 - passed Intermediate or equivalent examination (premedical group) in 2nd division.
 - studied Biology in Intermediate and secured 50% marks in it.
- **M.Sc. 2-year:** The candidates seeking admission in M.Sc must have:
 - passed two years B.Sc program with 2nd division.
 - studied Botany as an elective subject and secured 50% marks in it.
- **MS 2-year:** The candidates seeking admission in MS program must have
 - completed their 16 years (B.S. 4-year or M.Sc. 2-year in Botany) of education with at least CGPA 2.5/4.0 in semester system and 1st division in annual system.
 - The candidates must fulfill HEC eligibility criteria.
- **Ph.D. 3-5 Years:** The candidates seeking admission in Ph.D. Botany program must have:
 - completed their 18 years (M.S./M.Phil in Botany) of education with at least CGPA 3.0/4.0 in semester system and 1st division in annual system.
 - The candidates must fulfill HEC eligibility criteria.

Note: Departmental Entry Test (GRE Subject & General type) will be conducted. 60% marks are required to qualify for MS Interview and 70% for Ph.D. Interview.

Co-Curricular Activities

These activities, organized by Botanical Society include Celebration of Plantation week, Seminars, Scientific exhibitions, Poster presentations, Awareness campaigns, Green Peace day, Anti Dengue Day and Environment Day.

Department of Chemistry

Introduction

Chemistry is a multidisciplinary subject of science which helps to solve society's most important problems and has positive impact on human health, energy, and the environment. The mission of the department is to create and maintain programs in the areas of research and higher education. The department provides highly interactive and diverse scientific environment. The faculty has started research projects in collaboration with GC University Lahore, HEJ Research Institute, Karachi and COMSATS Islamabad. The department of chemistry has also established the international research collaboration with University of Mauritius, Mauritius.

Academic Programs

The following academic programs are offered at the department of chemistry.

- BS, 4-Year Program (Morning and Self-Support)
- M.Sc., 2-Year Program
- MS, 2-Year Program
- PhD, 3-5 Year Program

Eligibility Criteria

- **BS 4-year (Morning/Self-Support):** The female candidates seeking admission in BS Chemistry program must have:
 - passed Intermediate or equivalent examination with at least 2nd Division.
 - studied Chemistry (200 marks) in Intermediate securing at least 50% marks in it.
- **M.Sc. 2-year:** The candidates seeking admission in M.Sc. Chemistry must have:
 - passed two years B.Sc program with at least 2nd division.
 - studied chemistry as an elective subject securing at least 50% marks in it.
- **MS 2-year:** The candidates seeking admission in MS Chemistry must have
 - completed their 16 years (B.S. 4-year or M.Sc. 2-year in Chemistry) of education with at least CGPA 2.5/4.0 in semester system and 1st division in annual system.
 - The candidates must fulfill HEC eligibility criteria.
- **Ph.D. 3-5 Years:** The candidates seeking admission in Ph.D. Chemistry program must have:
 - completed their 18 years (M.S./M.Phil in Chemistry) of education with at least CGPA 3.0/4.0 in semester system and 1st division in annual system.
 - The candidates must fulfill HEC eligibility criteria.

Note: Departmental Entry Test (GRE Subject & General type) will be conducted. 60% marks are required to qualify for MS Interview and 70% for Ph.D. Interview.

Co-Curricular Activities

Different Co-Curricular activities are organized by Istakshaf Chemical Society which include celebration of International Chemistry Day, arranging Scientific Movies for students, study tours and seminars.

Department of Computer Science and IT

Introduction

The department of Computer Science and Information Technology was established in 2013 at GC Women University, Sialkot. The department offers ICS and BS-CS programs. The course of studies and syllabus for each degree is updated on regular basis according to the demands of time and as per HEC rules. The whole department is connected through LAN in order to provide modern teaching and learning environment. Moreover, the computer labs have internet facility through LAN as well as Wi-Fi.

Faculty

Name	Qualification	Designation
Dr. Sohail Masood	Ph.D.	Associate Professor (Chairperson)
Dr. M. Usman Ashraf	Ph.D.	Assistant Professor

Ms. Sidra Anwar	BS	Associate Lecturer
Mrs. Misbah Naz	MSc	Associate lecturer
Mrs. Seemab Hameed	MIT	Associate lecturer

Academic Programs

The department of computer Science and Information Technology offers the following programs.

- BS Computer Science, 4-Year Program (Morning and Self Support)
- BS Information Technology, 4-Year Program

Eligibility Criteria

- **BS (Computer Science) 4-year:** The candidates seeking admission in BS program must have:
 - passed Intermediate or equivalent examination with at least 2nd Division.
 - studied Mathematics with total 200 marks in intermediate or equivalent.
- **BS (Information Technology) 4-year:** The candidates seeking admission in BS program must have:
 - passed Intermediate or equivalent examination with at least 2nd Division.
 - studied Mathematics with total 200 marks in intermediate or equivalent.

Co-Curricular Activities

Co-Curricular activities organized by the department include IT-Mela, multiple competitions (Speed Programming, Web Development, Treasure Hunt etc) and study tours.

IT Mela

Department of Environmental Sciences

Introduction

The Department of Environmental Sciences was established at Government College Women University, Sialkot in October 2015. The program focuses on preparing the graduates to understand environmental systems, predict environmental changes, participate in the management of the environment, and contribute for the promotion of sustainable society. The graduates are expected to play a critical role in coordinating multidisciplinary input to assure successful deployment that is necessary in meeting the emerging environmental challenges in Pakistan, throughout the region and around the globe and particularly in the industrial city of Sialkot.

This department provides an integrated, quantitative, and interdisciplinary approach to the study of environmental systems. The magnitude and complexity of environmental problems are creating a growing need for scientists with rigorous, interdisciplinary training in environmental sciences.

Faculty

Ms. Taiba Tariq	M.Phil.	Lecturer
Ms. Anam Bajwa	M.Phil.	Lecturer

Academic Program

The following academic programs are offered at the department of Environmental Sciences.

- BS Environmental Sciences, 4-Year Program

Eligibility Criteria

- **BS 4-year:** The candidates seeking admission in BS program must have:
 - passed FSc (Pre-Medical/Engineering) or equivalent examination with at least 2nd Division.

Department of Mathematics

Introduction

Mathematics is the mother of sciences; therefore, all other scientific disciplines attempt to reconfigure their empirical observations and theoretical insights in terms of Mathematics. Keeping an eye on the needs of the modern era, Mathematics department at GCWU Sialkot started BS program in 2010 and M.Sc. program in 2015, to facilitate young students with sound interest in mathematical sciences. The department aims to provide quality education in a peaceful academic environment that fosters integrity, tolerance and human values.

Ms. Mariyam Mushtaq	M. Phil.	Asst. Lecturer
Ms. Shiza Tahir	M.Sc.	Asst. Lecturer
Ms. Samra Ghous	M. Phil.	Asst. Lecturer

Academic Programs

The following academic programs are offered at the department of Mathematics.

- BS (Mathematics) 4-Year program (Morning and Self Support)
- M. Sc. (Mathematics) 2-Year program

Eligibility Criteria

BS 4-Year: The candidates seeking admission in BS program must have:

- passed F.Sc./ICS or equivalent qualification (Mathematics 200 marks) with at least 2nd Division.
- secured at least 50% marks in Mathematics (200 Marks).

M.Sc. 2-Year program. The candidates seeking admission in M.Sc. program must have:

- passed B.Sc. (14 years education) or equivalent qualification with Mathematics-A and Mathematics-B.
- secured at least 2nd division in BSc or Equivalent.
- secured at least 50% marks in Mathematics-A.

Co-Curricular Activities

The Department of Mathematics organizes different co-curricular activities on regular basis and participates in different competitions.

Department of Statistics

Introduction

The department of Statistics was established in 2015. Statistics as a subject has significant place in all sectors of society ranging from business to industry, universities and research labs. A statistician can be involved in a pharmaceutical industry, in the shaping of public policy, in the planning of market strategy in business or the management of public portfolios in finance. Statistical methods and analyses are often used to communicate research findings and are considered as backbone of any research analysis. Department of statistics not only nurtures the theoretical skills of the students but also provides professional grooming and guidance to them so that they come-up as thorough professionals and inspiring individuals.

Faculty

Name	Qualification	Designation
Ms. Mahwish Rabia	M.Phil.	Lecturer (InCharge)
Ms. Wajiha Nasir	M.S.	Lecturer
Ms. Naima Mubarak	M.Phil.	Lecturer
Ms. Hira Talat	M.Sc.	Lecturer

Academic Program

The following academic programs are offered at the department of Statistics.

- BS, 4-Year Program

Eligibility Criteria

- **BS 4-year:** The candidates seeking admission in BS Statistics program must have:
 - passed FSc/ICS or equivalent examination with at least 2nd division.
 - Studied mathematics of 200 marks.

Co-Curricular Activities

The Department of Statistics organizes different activities under Gaussian Statistical Society which include sports, debates, poster competitions, workshops, celebration of plantation day and self-defence activities.

Department of Physics

INTRODUCTION

The Department of Physics is one of the pioneering science departments which was established in 2010. Physics is the most fundamental of science subjects, therefore, undergraduate program in physics can lead to many rewarding careers. The Department of Physics has well-equipped Physics laboratories and it is providing facilities to the BS and M.Sc. classes for basic research/projects as first which may lead students towards higher degrees. Different teaching methodologies are in practice to transfer the knowledge precisely.

The Department of Physics aims to prepare the graduates in the form of well-trained Physicists in respect of knowledge and skills. These Graduates would be the source of socio-economic development of the country.

RULES REGULATIONS

Code of Conduct

Conduct & Behaviour: The students of Government College Women University, Sialkot are expected to display a very high standard of personal behaviour and conduct. The Vice Chancellor is authorized to take appropriate required action on any untoward behaviour. All authority regarding maintenance of proper discipline rests with the Vice Chancellor, Staff Advisory Council/discipline committee and the Proctorial Board. The decision of the Vice Chancellor in all disciplinary matters will be final and binding on the students and their parents/guardians. She has the authority to suspend, expel or rusticate a student (day scholar or boarder) in the greater interest of the university discipline. However, the defaulter will be given the right to clear her position before the Advisory Council/ Proctorial Board.

Proctorial Board: To maintain discipline and order in the University, there is a proctorial Board comprising the Vice Chancellor, Registrar and faculty members. Cases of Violation of the following general rules of the University will be reported to the Chief Proctor who will immediately take proper action.

- Students are expected to observe strict order and discipline in the University, hostel and playgrounds.
- Students should avoid moving about or talk in the Verandahs and corridors, so that there is no disturbance in the class work.
- Students should ask permission to enter the administrative offices or staff rooms.
- Students must be punctual in
 - Attending Lectures
 - Paying the University and Hostel dues
 - Returning Library Books
- Students are not allowed to see their visitors or bring them in the University during academic hours.
- Students are required to remain in University premises during academic hours.
- Students should avoid unnecessary visits to Administrative Building.
- Celebration of birthday parties by students is prohibited in university premises.
- Students should read the notice board daily.
- Students should come in proper dress code to the University.
- Students should not wear ostentatious jewellery (real or artificial).
- Students are not allowed to intentionally damage the University property.
- Students can't bring cell phones within the University premises.
- During co-curricular activities students are not allowed to use video cameras.

- Any student who violates the university rules, involves herself in negative activities like strikes or instigates for the purpose or blows crackers will render herself liable to disciplinary action
- Each staff member has full right to check students for not observing the above-mentioned rules and any report by the staff members will result in action as per University rules.
- Within University premises the Vice Chancellor's authority is absolute. She has the power to impose fine or some other appropriate punishment for a breach of university discipline, rudeness to staff, irregularity and disorderly behaviour. A serious violation of these rules will render the students liable to be rusticated from the University on the recommendation of the Advisory Council.

These rules are meant to cultivate refined behaviour in the students and to bring about a properly disciplined atmosphere in the University.

Dress Code

The students at GCWUS will observe the following dress code.

1. Only white shalwar kameez, white socks and black shoes.
No jeans, tights, trousers/pants etc.
No makeup,
No jewellery
2. Colour code for stole, scarf and shawl is according to the semester colour.

Hostel Rules and Regulations

The Government College Women University, Sialkot offers limited hostel facility to undergraduate students (BS/MA/MSc). The detailed rules and regulations about hostel accommodation are available on the university website www.gcwus.edu.pk.

Semester Rules

The detailed rules and regulations about semester system as well as students' attendance policy are available on the university website www.gcwus.edu.pk. We urge that all students take time out to read these rules carefully soon after seeking admission as they will be implemented in heart and spirit.

GCWUS Societies

Introduction

Co-curricular activities help students to develop leadership and time management skills, hence creating balance between academics, co-curricular and extra-curricular activities.

Our goal is to encourage students to seek a level of excellence higher than they ever imagined, in individual social competency as well as group effectiveness. GCWUS is offering all options for grooming its talented young girls not only in academics but also in other aspects of life. We welcome all students to join societies of their interest. These societies arrange curricular as well as co-curricular activities.

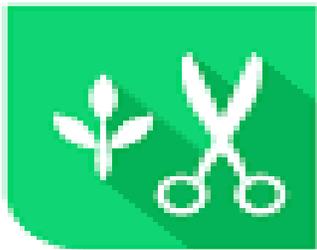

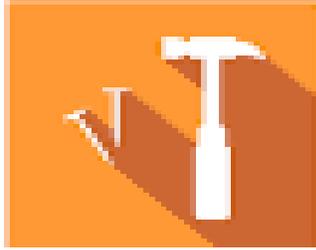

The following societies have been constituted at University and departmental level:

University Societies

1. Blood Donor Society
2. Character Building Society
3. Cultural Society
4. Debating Society (English)
5. Debating Society (Urdu)
6. Dramatic Society

FACILITY MANAGEMENT

Library

Introduction

GC Women University Sialkot's Library has the distinction of being first ever Public Sector University Library in Sialkot. This Library supports academic and research activities in the University. GCWUS' library is a peaceful and quiet place where individuals gather to explore, interact, and imagine.

Library Timings

Monday – Friday (8:00 am – 4:00 pm)

The library staff consists of a librarian and three assistant librarians.

Rules & Regulations

The library rules and regulations have been made for the benefit of all library users. The co-operation in observing these rules is essential for the common good. Only registered users can avail the facility of the library.

All library users are expected to observe the library rules while using the library facility. Any violation of these rules will incur appropriate disciplinary action. The rules and regulations of library are available on the university website www.gcwus.edu.pk.

Library Membership

To enjoy the facilities offered by the Library, the student/faculty/staff should submit library registration form. The students are advised to keep their Library Cards with them. Change of address/telephone No. e-mail address must be reported to the librarian immediately.

Hostel

Government College Women University, Sialkot offers hostel facility to the undergraduate students coming from other cities and abroad. Due to limited accommodation available, this facility is provided on need cum merit basis.

Transport

Government College Women University Sialkot also provides limited transport facility to the students from far flung areas of the city and the adjacent towns in its vicinity. All rights of permission to avail the transport facility are reserved with the university management. A wide range of routes are covered to reach out to maximum number of students in order to empower them with knowledge and make GCWUS an easily accessible learning hub.

Cafeteria

At GCWUS there is a cafeteria which provides good quality of foods and drinks that are carefully monitored to ensure the strictest standards of hygiene and health.

A wide variety of eatables and drinks are available at the canteen.

The canteen provides these facilities not only to students but there is a separate dine-in facility for faculty members also. In the hostel of GCWUS there is a tuck shop which provides items of everyday requirements to the boarders.

Printing and Photocopying

There is a center for photocopying and printing facilities. There is also a stationary shop that caters the needs of students within university premises.

Security Cell

University security cell was established in 2015. For this purpose the university has hired the services of a retired lieutenant colonel whose team consists of retired NCOs and GCOs from Pakistan Army. This security team guards the university for twenty four hours throughout the week. The security guards have been equipped with latest weapons. Expert snipers are dispersed around the university. The university entrances are strictly monitored by CCTV cameras 24 hours. Walk through gates are installed on all entrances. Security stickers are issued only to the faculty conveyances after verifying the vehicle's papers.

Security Cell deals with:

- ✓ ID Cards of Students
- ✓ Bus Passes
- ✓ Stickers for faculty vehicles

Card Centre

The card center under security cell issues cards to faculty members, students and employees. No student, faculty and staff member can enter the university without university identity card. This center also issues bus passes to the students who avail university transport facility.

Day Care Centre

Day care facility is an essential requirement for working ladies in today's world. GC Women University, Sialkot offers the facility of a day care centre within university premises. Recently a spacious new Daycare Center, funded by HEC, has been constructed. Two lady caregivers have been hired by the university to take care of infants and kids. They are healthy, efficient, and vigilant. Competitive staff looks after the centre and higher officials visit it on regular basis to check its working. The air conditioned daycare centre at GCWU Sialkot has many other facilities such as microwave oven, refrigerator rockers and many toys.

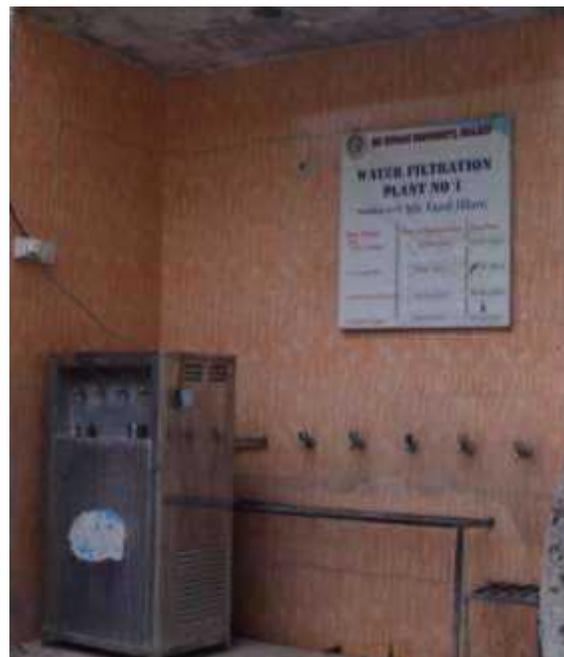

Mosque

There is a beautiful mosque adjacent to the girls' hostel in the University for offering five times prayers.

Water Filtration Plant

There are two water filtration plants in the University in order to provide clean water to the students.

Finishing School

Poise, grace, elegance, dignity and style! That is what a finishing school is all about. A finishing school is a program basically intended to teach deportment and etiquettes to young ladies as a prerequisite for their entry into the social setup and professional life.

The finishing school course follows the primary academic education and focuses on deportment and etiquettes. It is a one-month intensive course offering a fresh approach to contemporary social skills and image management and it is offered at the end of 7th and 8th semester. The goal is to enable our graduates to evaluate social and business situations and to respond with appropriate attire and behaviour depending on the variety of cultural circumstances. Govt. College Women University, Sialkot takes tremendous pride in being the only University which equip the female graduates with this kind of skills for facing the challenges of the global world.

The idea was propagated by the Vice Chancellor and a team was selected consisting of exceptionally skilled and expert faculty. This team headed by a senior professor narrowed down some vital leadership skills to be instilled in the students. The skills include IT Skills, The Art of Communication, Personality Development, Hobbies and Skills, Dining Etiquette & Cooking and Social Graces.

Payment of Fees and other Dues

Payment of Fees and other Dues

The university fees, hostel fees, funds and other dues must be paid on the dates notified by the University, and the Challan Form is issued by the University office accordingly. If the students fail to pay their dues within due dates, this may eventually result in cancellation of admission.

- a) To facilitate the students, a booth of the Band of the Punjab (BOP) is established in the University premises where students can deposit the dues/fees.
- b) If parents wish to deposit the dues, they may contact the BOP Paris Road branch, after getting Challan Form from the University office.
- c) The total fee of the semester program is paid semester-wise. The total fee of the annual program is paid in two installments. There will be strict action against students who fail to pay their dues (as per University Rules).
- d) After payment of dues at the time of new admission, the students must contact the staff on duty for issuance of roll number and section. There should be no delay in following this process otherwise their admissions will be cancelled.
- e) GCWUS follows fee refund policy as per the HEC rules.

Scholarships

Limited number of scholarships are available at Government College Women University, Sialkot for eligible students under the following scholarship schemes.

- PEEF Scholarships (The Punjab Educational Endowment Fund)
- MORA Zakat Fund Scholarships
- HEC Need based Scholarships
- Prime Minister's Fee Re-imbusement Scheme.
