M E S S A G E O F CHANCELLOR

Education is a fundamental human right – one that all individuals are entitled to enjoy whatever the circumstances they live in – that also brings important benefits to human society as a whole. To achieve these benefits, it is necessary that men and women should be given equal educational rights. Education of women is important for the substantial social and economic progress of a

country. Universities and institutions of higher learning can help women in achieving multiple internationally agreed upon development goals. The Government is fully cognizant of the potential benefits of a university that focuses exclusively on fostering the ambitions of young women. Government College Women University, Sialkot is a step towards this realization. A high literacy rate of the city limns the fact that Sialkot's education system is based on strong foundations. The city already boasts of a number of renowned figures from all walks of life. With this new addition in the city of Iqbal, women's education will touch new pinnacles of glory since transition towards creating prosperity is the hallmark of this university. The goal is not only to provide quality education but also to ensure women empowerment. This growing academic platform is almost sixty-five years old but with the Introduction of new courses of study, new disciplines, and new initiatives we will produce peaceful, tolerant, perseverant and responsible citizens of the country. The programs in these disciplines are conducted under the supervision of a highly qualified, professional and motivated faculty. The university curricula are not only competitive but also in line with academic practices of the world-famous universities. With the range of disciplines available and the quality of the faculty and students at GC Women University, Sialkot, we are well poised to make our mark internationally. We wish you an inspiring educational experience in the university.

Chaudhry Muhammad Sarwar
Honourable Governor of Punjab
Chancellor, GC Women University Sialkot

Mr. Raja Yasir Hamayoun
Honourable Minister of Higher Education, Punjab
Pro-Chancellor, GC Women University Sialkot

M E S S A G E O F PRO CHANCELLOR

This is an era of Higher Education as it enables the individuals to expand their knowledge and skills, express their thoughts clearly in speech and writing, grasp abstract concepts and theories and increase their understanding of the world and their community. In this regard, varsities play an active and pivotal role.

Govt. College Women University Sialkot has a long history dating back to 1951, when it was upgraded to a College from Gandha Singh High School and was subsequently upgraded to a university in 2013. It enjoys the prestige as an institute producing energetic and devoted minds to resolve the issues on scientific grounds. Its alumni are serving at key positions all around Pakistan.

I believe that Govt. College Women University Sialkot's students are blessed ones who avail themselves of the opportunity of getting education at such revered and prestigious university of the country and in future they will contribute to the variety of fields not only in Pakistan but also abroad.

M E S S A G E O F VICE CHANCELLOR

I welcome you to Government College Women University Sialkot (GCWUS), a prime partaker in imparting education to women in Sialkot, the city of Allama Muhammad Iqbal, Faiz Ahmed Faiz and many other prominent figures in almost all fields of life. Established in 1951 as a college, it is one of the oldest colleges in Pakistan and Sialkot's oldest institution of higher learning. From a very humble beginning it emerged as Sialkot's most distinguished and iconic educational institution for girls, resulting in its up graduation as a University in 2013. This prestigious

seat of learning is striving hard to impart quality education to Pakistani women to meet national and global challenges toward accomplishing its mission, i.e. to produce women work force to cater the country's current and future needs. The degree of GCWU, Sialkot represents certification of competence, beneficial employment, livelihood, prosperity and a well-groomed personality. Thus, the graduates have the ability to handle challenges posed by future with confidence, dignity and proficiency. The project of Aiman Abad Campus, after its completion, will also provide world class education to local, national and international students.

GC Women University, Sialkot is dedicated to the promotion of quality education in a wide range of contemporary disciplines. The high standards set by GCWUS have made it the first choice of many aspiring students not only in Sialkot region but also in different provinces of Pakistan. In addition to undergraduate programs, GCWU, Sialkot has amplified its offerings to graduate and postgraduate programs including MS & Ph.D. in different disciplines. The curriculum is upgraded on regular basis to keep abreast with the current trends in academia and the local, national and international job market.

GC Women University, Sialkot is very fortunate to have highly qualified, outstanding and dedicated faculty that is committed to impart quality education, research skills, sense of civic responsibility, volunteerism and inquisitiveness among students. The University has State of the Art Class rooms, Science laboratories, Computer labs, library, hostel facility, Daycare Center, Healthcare Center, and transport facility. Its Finishing School instills grace, etiquette and vital leadership skills in graduating young ladies. GCWU is the first Women University in Sialkot which manifests universally realized fact that women play a pivotal role in a country's progress. Our vision is to empower a diverse community of female students by inflaming their intellect, stirring their creative faculties and finding true success through high quality teaching and learning. Our challenge for the future is to establish ourselves firmly among the nation's leading Universities through academic excellence and research output. I hope you will support us in our endeavors aimed at women empowerment amply reflected in Muhammad Ali Jinnah's words:

Prof. Dr. Rukhsana Kausar
Vice Chancellor
Govt. College Women University Sialkot

“There are two powers in the world; one is sword and the other one is pen. There is a great competition and rivalry between the two. There is a third power stronger than both, that of the Women.”

WELCOME

TO THE UNIVERSITY

In the heart of the city of Iqbal, stands an alma mater which has been transmitting knowledge and tradition to the posterity for more than half a century now. This is Government college Women University; the best education providing institution in the vicinity. Government College Women University formerly known as Government Post Graduate College for Women is a generation old and the largest academic institution in the area. Its grandeur bespeaks its glorious history and the journey it has taken. It remains an honour for the institution till date that it was founded by Madr-e-Millat Fatima Jinnah in Dec 1951 with only 30 students and 10 faculty members. Miss Amina Munimmudin was the founder Principal of the institution. Once this institution was established, it grew bigger and bigger. This renowned Degree College was upgraded to Post Graduate College in 1989, offering Masters in English, Urdu and Islamic Studies. Taking into consideration the quality education imparted by the college and the need of the hour, BS programme was started in 2010 by Higher Education Department.

This initiative gave a forward thrust to the academic activities and the college was duly upgraded into university in 2012. **Dr. Nizam-ud-Din** the vice Chancellor of University of Gujrat, was given an additional charge in 2013.

Prof. Dr. Farhat Saleemi, took over the charge as its first regular Vice Chancellor in September 2014 and the journey continued with a double pace due to her day and night efforts in this regard.

After completion of her tenure, **Prof. Dr. Hafiz Khalil Ahmed** took over the charge as an Acting Vice Chancellor and managed all affairs in an amicable manner.

Prof. Dr. Rukhsana Kausar joined as Vice-Chancellor of GGCWUS on 6th July 2019, and the university is showing phenomenal progress in all aspects under her dynamic leadership.

VISION

OF THE UNIVERSITY

REGISTRAR OFFICE

The Registrar Office at GC Women University Sialkot was established since the inception of the University and it has been acting as a supervisory body and as a support system within university. This office assists in the execution and application of rules and regulations, recommendations, recruitment process and other administrative tasks. The Registrar's office is liable to make the academic experience

of the students of GCWUS, from the registration to their graduation a very smooth one. It helps to manage academic and administrative policies; as well as offers assistance in the development or revision of University policies and procedures.

Mr. Malik Gulshan Aslam
Controller of Examination (Acting)

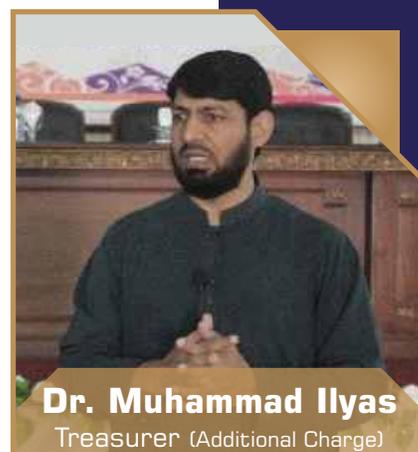

CONTROLLER OF EXAMINATIONS OFFICE

Office of the controller of examination (COE) plays a key role in the academia as its resources are used for strategic planning and development. It is very important for any University which wants to be high ranked in education sector as well as in society, to have an eye on facts & figures provided by COE to forecast future and budget needs.

The office of the Controller of Examinations at GC Women University Sialkot is chiefly responsible for the conduct of exams in a well-organized manner. This entails the preparation of date sheet, examination schedules, compilation of results, processing of transcripts, degrees, certificates, diplomas, supplements and management of the external examination system for the courses that have been taught throughout the running session while working in close liaison with the departments. It is also responsible for all the matters related to convocation.

TREASURER OFFICE

The function of this office is to maintain and improve the university's financial position. It maintains university accounts, prepares all financial reports, prepares annual budget and provides advice on all financial matters. It has major responsibility of expenditures, savings and dealing in funds. It also monitors the purchase of moveable and immovable assets. It manages collection of fee and timely refunds (if any).

Dr. Muhammad Ilyas
Treasurer (Additional Charge)

DIRECTOR ACADEMICS OFFICE

Office of the director academics plays a central role in formulating Academic Rules and Regulations at GC Women University Sialkot. Director Academics addresses all challenges relevant to quality of learning in all Faculties in collaboration with Respected Deans and Heads of Departments. This office deals with matters related to curricula, teaching methodologies and evaluation of teachers and students. This office suggests and helps implementation of programs that enhance academic and research activities. The Director Academics holds meetings with Deans and Chairs, records decisions and disseminates the same among all concerned for implementation.

Mrs. Salma Khurshid
Director Academics

Ms. Aliza Basharat
In-Charge ITSC

IT SUPPORT CENTER

IT Support Center of GCWUS is working with a mission to provide the latest ICT facilities to students, faculty, and staff to enhance IT literacy and their learning experiences. Here at GCWUS, we have the latest computer labs, video conferencing, and smart classroom facilities so you could get the hands-on experience as well and can enjoy the collaborative learning experience with other institutes. We

are hopeful to make a difference in educational institutes and society with the power of technology.

The Information Technology Support Centre (ITSC) provides the most effective innovative, computing, communication and data services to its faculty, staff and students, with the view to strengthen the competence of its academic enterprise. ITSC deals with the growing IT related needs of the GCWUS' community. ITSC specifically provides:

OFFICE OF RESEARCH, INNOVATION AND COMMERCIALIZATION

The Office of Research, Innovation and Commercialization (ORIC) of GC Women University Sialkot was accredited by Higher Education Commission on July 12, 2016. In this post-modern time, universities are required to become more entrepreneurial while bringing innovations to the existing research, developments and operations. We need to go beyond theoretical research and move towards conceptualization

and recommendation of actual products and services which can only be done through proper channelization and commercialization. ORIC is responsible for training and development, building institutional and organizational linkages, innovation and research commercialization/ entrepreneurship as well as creating jobs and internships. ORIC is offering its best supportive role to achieve innovation and commercialization of our research for making GCWUS a contributive and productive university.

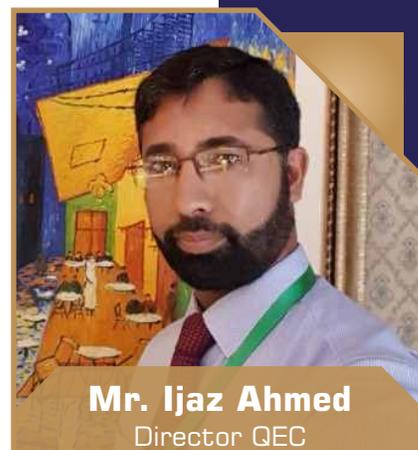

QUALITY ENHANCEMENT CELL

In the 21st century, universities have become hubs of knowledge; learning and research have grown far advanced and complex than ever before. GCWU Sialkot is devoted to come at par with the international universities in the world today. Thus, the quality of knowledge, that is being dispensed, must be of a high standard. For this purpose, a quality enhancement cell has been established at GCWU Sialkot. The three-guiding principle of this office are efficiency, relevance and quality. GCWUS is extremely quality conscious and cares about both the personal and professional growth of its faculty and students. QEC at GCWUS is dedicated to ensure quality of teaching, research and administrative efficiency. QEC members are working dedicatedly for successful implementations of its goals and objectives.

The Quality Enhancement Cell was established to methodically implement the quality enhancement procedures and criteria to attain improved levels of compatibility and competitiveness at institutional and program level as required by the Higher Education Commission. The QEC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the university. The QEC may channelize and systematize the efforts and measures of this institution towards academic excellence. The QEC attempts to be a driving force for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality.

STUDENTS' AFFAIRS OFFICE

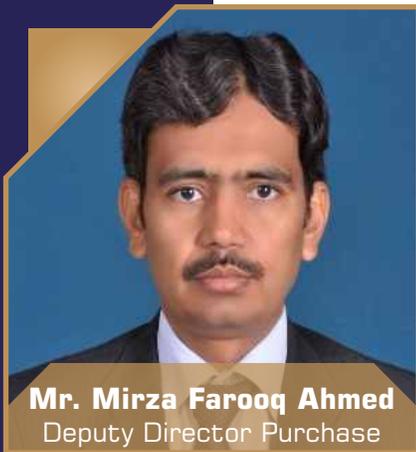

Students' affairs office was established at GC Women University, Sialkot on 3rd February 2017. This office is meant to provide guidance, counseling and more flexible educational environment to the students. The main purpose of this office is to provide the required support for academic activities as well as to motivate students for personal, social, cultural and cognitive development. It aims to promote curricular and co-curricular activities and help bring students' hidden potentials and abilities to surface. This office also serves as a bridge between administration, academia and students.

Welcome to the Department of Botany at the Government College Women University Sialkot. Our mission is to conduct cutting-edge research in plant Science to advance fundamental scientific knowledge and solve critical issues. Challenges include climatic change, food and fuel security, and the loss of natural habitats and biodiversity. At present we are offering BS (four Years), MSc (two years) MS (two Years) and PhD (3-7 years) program in Botany. Specialities in the department include genetics, plant breeding and biodiversity; plant pathology, plant physiology, plant microbe interaction, genetics, phytoremediation, ecosystem management, conservation and restoration. The curriculum is an outcome of the brainstorming sessions conducted in the department and further authenticated by the members of Board of Studies selected from well reputed academic, research and industrial organizations, they contribute and discuss various suggestions in revising the Curriculum & Syllabus based on the industrial requirement and latest technology prevailing in the field of Botany which can help the students to shape themselves for a bright future. Besides encouraging students to become proficient in their academic arena, the Department of Botany motivates them to participate in various personality enhancing activities including community work. Our Vision is to add values to students' lives which possibly will equip them to circumvent the adversities in their life and to explore and not to exploit the plant world. We welcome individuals, organizations and potential students to join us for solving critical issues in the Botanical field.

Welcome to the Department of Environmental Sciences which is at crossroad where multiple dimensions intersect: Biology, Chemistry, Physics, Economics, Management Sciences, Social Studies, Population Science, and Ethics. Diverse and vibrant faculty members of the department are fully capable to educate and guide next generation of environmental activists for protection and welfare of the society.

The department is equipped with state-of-the-art facilities and standard Scientific Laboratories. Research and industrial linkages for solution of environmental issues are our prime focus. Our graduates and students are providing their services at various industries of Sialkot and Lahore; some are engaged with Environmental Consultancies. This department has completed 06 research projects, published about 30 Scientific Research Articles, won two RPA Awards and one scientist has been ranked among top five environmentalists of the country.

I welcome you to join this Department with mission to save and serve the nature.

A very cordial invitation to the GC Women University Sialkot's Department of Mathematics, where the learner and the teacher alike come to know that **“Pure Mathematics is, in its way the poetry of logical ideas”**. Mathematics is a methodical application of matter which gives exact interpretation of building mental discipline and encourages logical reasoning and mental rigor therefore it has always been the department's prime motive, to build a strong foundation for the nurturing minds. Presently M.Phil. and PhD faculty has put forward their expertise for transmitting knowledge to the undergraduates. The whole Mathematics family is anticipating start of M.Phil. classes soon and PhD classes in the upcoming years after approval of HEC.

Welcome to the Department of Physics of GC Women University Sialkot where our foundational belief as academicians is to strive to be responsible teachers and to instill this spirit of honesty in our students. There is constant effort put in by our teachers to bring forth better ways of delivering information through a highly interactive and positive teaching environment. We, in the Department of Physics offer BS, M.Sc., and MS programs, which are regularly updated so that students become able to compete on national and international level.

The Department of Physics started PhD program last year which provides the students with necessary cognitive and practical knowledge to meet the growing technological demands of the modern world. The PhD program provides a platform to the scholars for preparation of careers in various areas of Physics. All the research programs are highly equipped to prepare the students mandatory skills for research and innovation in multiple fields.

The Department of Zoology, at GCWU, Sialkot educates students in various disciplines of Zoology. The Department is competent in academic excellence and prominence in various fields of teaching and research like Cell biology, Physiology, Ecology, Environmental biology, Developmental Biology, Microbiology, Entomology, Fisheries, Parasitology and Animal Diversity. The Department offers study courses for BS (Honors) M.Sc. and MS and PhD level and comprises of highly qualified, competent and progressive faculty members. Diversified disciplines in Zoology promote the development of intellect and creativity through scholarship and service.

Our department is centered in a learning community, meeting the changing needs of the country through teaching, research services and technological development. Research Laboratories are well equipped to meet the current needs of researchers in Zoology. We are providing training to our students by assuring their participation in various activities including seminars, symposiums, workshops, project exhibitions etc. I am confident that we have excelled in every initiative that we undertook and we are standing together in facing the challenges of realizing our goal of imparting quality education. I hope that our department will provide positive, productive, skilled and trained manpower to join the work force, well prepared in the areas of Zoology and its relevant fields.

The Department of English at GCWUS is committed to diversity and aspires to ensure a learning environment in which all students and faculty, regardless of economic background, religion and race, feel themselves a part of an intellectual community and thrive in their work. The department seeks to enhance the analytical, critical, creative and communicative skills of its students. It offers BS, MA, and MS programs. Recently, it has expanded to include PhD and GCWUS takes tremendous pride in being the only University in Sialkot offering PhD in English. To navigate the solutions of existing and upcoming challenges in education milieu of the modern world, teamwork is essential. The team members of this department include Best University Teacher Award Winner (HEC), Pakistan Solidarity Award Winner (PHEC), HEC approved supervisors, HEC Indigenous PhD level Fellowship Award Winner (UK), Master Trainer (USA), Chapter Writers of International Books, Monograph Writer (HEC), Fulbright Scholarship Winner (USA), and Master Trainer (HEC). Such faculty using latest techniques and research methods prepares students to become enlightened thinkers and confident leaders of tomorrow. Our syllabus spans from 7th century to the present-day literature and advanced language and linguistic courses. Our research-based programs are designed to equip students with expertise in independent thinking and absolute originality needed for invaluable academic research and achievements. I, the Chairperson of the Department of English, wish all our scholars continued success in their academic and professional endeavors.

Despite being young, the Department of Fine Arts is flourishing rapidly and successfully training the best professional artists and designers in this region. We train students to fully understand their profession and to discern that they will be the agents of change in the years to come. As artists, they will be the conscience of the society and the torch bearers of aesthetics and beauty. Department of Fine Arts offers expertise in different aspects of Arts i.e., Drawing, Painting, Sculpture and Miniature. Our four-years BFA painting program provides opportunities to students who want to explore the world of Arts in different ways. As designers, they will shape the future. Hence, we ask them to know their culture and craft so that their ideas can be expressed clearly, creatively, instantly and on demand. We believe in imparting an education which empowers our students to believe in themselves and discover their pearl in the oyster.....which is the world!

As a public institution, Institute of Arabic and Islamic Studies, GCWUS is trying its best to promote the Islamic ideology and thought through teaching and research. It is playing its role to build the research aptitude related to Qur'an, Hadith, Seerah, Arabic Studies and other related subjects. We have an obligation to serve our community and play our role to make the world, a better place rather than a place of conflicts, extremism and terrorism.

The Institute takes pride in producing a large number of graduates who are trying to build a positive image of Islam and making the society closer to practical Islam. Management of the institute welcomes these graduates and other researchers to contribute in this prestigious mission of developing a true understanding of Islam for creating a real Islamic community and changing global environment compatible with religious harmony and tolerance to realize the human dignity and importance of Islamic teachings in this regard. It is our utmost wish that our programs may succeed to gain their objectives, goals and bring positive results to change the social attitude and human culture according to the divine religion of Islam.

Psychology is the science of behavior and the mind. It provides an understanding of the basic processes of sensation, perception, learning, cognition, development, and personality along with the principles of Biological Basis of Behavior, Clinical Psychology, and Social Psychology. The knowledge of psychological principles and scientific methods for evaluating theories and research in the social sciences is essential in our rapidly changing society.

We are offering BS (Regular and Self-Support) and M.Sc. (two years program). The basic goal of these programs is to integrate the scientific foundation of psychology with the strong background of humanities along with basic science to better prepare students for the advanced training in field of Psychology, Clinical Psychology, Cognitive Science, Neuroscience, Research and other related disciplines. The foremost goal of self-support degree program is to promote female education in the Sialkot City and make them able to excel in the field of psychology. The BS and M.Sc. degree programs are explicitly aimed at preparing the students for advanced graduate study in the sciences and science-based professions.

Politics as well as its study in the form of Political Science are intriguing phenomena that have captured the attention of thinkers and sages since Socrates. Political Science deals with the study of the state, nation, government, politics, and policies of the government. The Department of Political Science is one of the oldest teaching departments at GC Women University Sialkot. Initially Political Science was taught only at intermediate/BA level as compulsory as well as optional course. The department took the initiative of starting BS in Political Science in 2010 and BS International Relations in 2017. Speaking of today, the department is also offering Postgraduate research degree programs, i.e. MS and PhD in Political Science. We aim at promoting the study of politics in its theoretical and operational aspects. The cultivation of such a mind enables the students to deal effectively with the complexities of life regardless of the profession or occupation that they eventually adopt.

The Department of Sociology endeavors to achieve excellence in the field by providing quality education to undergraduate students and promoting analytical skills and critical thinking. The department focuses not only on various theoretical concepts in sociology but also prepares students to analyze the current situation in society while appreciating the past trends and materializing the vision for the future. We aim to develop in students the "Sociological imagination", which signifies the ability to see their lives, concerns, problems and hopes as intertwined within the larger social and historical context in which they live. The department hones the students' talents in such a manner that they are ready to take up challenges in various fields including public and private organizations, rural development, social advocacy, community mobilization, socioeconomic research, academic institutions, agencies working for social marketing, philanthropic services, social services and criminal justice. The department welcomes all the prospective undergraduates and hopes that the new entrants will add more vigor and vitality to it.

Urdu language has played a great role in the national integration of Pakistan. Pakistan is multilingual and multicultural country with diverse cultures and traditions. Urdu language served as a driving force to unite Muslims for getting freedom in 1947. The Department of Urdu at GCWUS has been committed for promotion and development of Urdu. We are contributing to the teaching of Urdu language and literature in Pakistan. We take pride in the expertise of our highly qualified faculty members who teach a number of programs at BS, MA, MS & PhD level. On the research front, the Faculty has been devoting every effort for academic research in language and literature. The Department feels immense pleasure in announcing that we have established an "Iqbal Chair" in the city of Iqbal and yearn to fulfill Iqbal's dream of national unity through Urdu language and literature. The Department also publishes Urdu research journal TAHQEEQI JAREEDA. This journal is included in the list of approved research journals of HEC in "Y" category.

COVID-19

MEASURES TO MINIMIZE **IT's IMPACT**

Worthy Vice Chancellor, GC Women University Sialkot, Discussing Issues Related to **COVID-19** with Honourable Governor of the Punjab

GC WOMEN UNIVERSITY SIALKOT's

Response in the Current Crisis Situation

Today, the whole world is fighting against Covid-19, an infectious disease caused by novel coronavirus. It spreads from one person to another primarily through respiratory droplets generated when an infected person coughs or sneezes. There is currently no vaccine but only with care it can be prevented. **Covid-19** has dramatically changed lives of people around the globe. Along with physical, social and financial concerns, it has enormous impact on psychological well-being.

During the time of this pandemic, Worthy Vice Chancellor, GC Women University Sialkot took necessary steps to deal with the current situation in every aspect. First step was taken in the form of constitution of COVID-19 Task Force of GCWUS on 16-03-2020, in which all members took part and contributed well with their expertise. GCWUS hostel was made quarantine center for the affected patients. Steps were taken for the cleanliness of the University and Madam Vice Chancellor made it compulsory for everyone to follow SoPs recommended by the Government of Pakistan. The Second step by Worthy Vice Chancellor was constitution of **COVID-19** Fund Raising Committee on 08-04-2020, in which Prof Naila Arshad (Convener) with her enormous efforts and teamwork succeeded to collect a handsome donation with the patriotic contribution of Worthy Vice Chancellor, all teaching faculty, non-teaching administrative officers, students, alumni, General Community and Business Community. Honourable Vice Chancellor Government College Women University Sialkot handed over the cheque of generous donation to the Respected Governor Punjab, Chaudhry Muhammad Sarwar, and contributed to this noble cause.

TELE-PSYCHOLOGICAL SERVICES

Another major step was to address the issue of fear and anxiety of students, regarding online classes, exams and their future. For this, Worthy Vice Chancellor constituted an Online Discussion Team-Incharges Faculties, Director Academics, Controller Examination and Incharge ITSC- to talk to the students in a live session and in order to provide relevant and satisfactory answers of their questions.

Fourth major step that was taken by Worthy Vice Chancellor was the initiation of Tele-Psychological Services and these were the major requirement of the time. As we all know that coronavirus pandemic is an epidemiological and psychological crisis. The enormity of living in isolation, changes in our daily lives, job loss, financial hardship and grief over the death of loved ones has the potential to affect the mental health and well-being of many. Even in this time of physical distancing, it's critical to seek social support and connection with others. This pandemic is creating feeling of uncertainty, hopelessness, trauma, depression and more severe consequences of suicide. Sleep disturbances and relationship problems are exceeding day by day.

In this prevailing condition, to deal with psychological crisis and enhance psychological well-being of students, teachers, and common people, Worthy Vice Chancellor GC Women University Sialkot, **Prof Dr. Rukhsana Kausar**, took this initiative that **Tele-Psychological Services** for community must be started by GC Women University Sialkot.

Under the leadership of Vice Chancellor, GC Women University Sialkot, Dr. Umara Rauf, (Head, Department of Psychology) along with her qualified and trained team of Clinical Psychologists and eminent scholars from Department of Arabic and Islamic Studies worked on this plan and started to serve the community by providing Tele-Psychological Support Services for patients, quarantined individuals, families and general masses in relation to COVID-19. These voluntary services were started as “Tele-Psychological Support Services” from June 20th, 2020 and are continued till now. These services are provided from Monday to Friday from 12pm till 4pm through phone by considering the ethical consideration of confidentiality. The main aim of these services is to reduce the psychological distress and enhance the coping skills of the persons who need psychological help.

Worthy Vice Chancellor, GC Women University Sialkot, Presenting the Donation Cheque to Honourable Governor of the Punjab

Community is contacting the team on the provided numbers to seek psychological support for their psychological issues. Now,

to extend the services, upon the direction of our leader Prof Dr. Rukhsana Kausar, team has taken the initiative to outreach the affected persons of COVID-19 itself to better provide them counseling services in this difficult time.

Worthy Vice Chancellor, GC Women University Sialkot, herself is providing these volunteer counseling services to the community and her team members, Dr. Umara Rauf (PhD in Clinical Psychology), Dr. Razia Anjum (Ph.D in Psychology), Ms Ayesha Asghar (MS in Clinical Psychology), Ms Maryam Arifeen (MS in Clinical Psychology) and Dr. Syeda Sadia (PhD in Islamic Studies) are also performing these services with full capacity and with great motivation. Students and general public have approached the team for the psychological distress of COVID-19. Other than psychological problems of COVID-19, persons are also approaching for other chronic psychological problems.

HOSTEL

Government College Women University, Sialkot offers hostel facility to the undergraduate students coming from other cities and abroad. Due to limited accommodation available, this facility will be provided on need cum merit basis.

TRANSPORT FACILITY

Government College Women University Sialkot also provides limited transport facility to the students from far flung areas of the city. All rights of permission to avail the transport facility are reserved with the university management. A wide range of routes are covered to reach out to maximum number of students in order to empower them with knowledge and make GCWUS an easily accessible learning hub.

CAFETERIA

At GCWUS there is a cafeteria which provides good quality foods and juices that are carefully monitored to ensure the strictest standards of hygiene and health.

A wide variety of eatables and drinks are available at the canteen

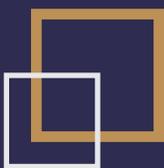

The canteen provides these facilities not only to students but there is a separate dine-in facility for faculty members also. In the hostel of GCWUS there is a tuck shop which provides items of everyday requirements to boarders.

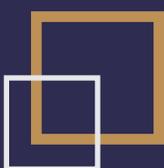

PRINTING SHOP

In addition to food, the canteen is also providing the facilities of a stationary shop, a digital photocopying system and printing shop within premises for students.

SECURITY CELL

University security cell was established in 2015. For this purpose, the university has hired the services of a retired lieutenant colonel whose team consists of retired NCOs and GCOs from Pakistan Army. This security team guards the university for twenty-four hours throughout the week. The security guards have been equipped with latest weapons. Expert snipers are dispersed around the university. The university entrances are strictly monitored by CCTV cameras 24 hours. Walk through gates are installed on all entrances. Security stickers are issued only to the faculty conveyances after verifying the vehicle's papers.

CARD CENTER

The card center under security cell issues cards to faculty members, students and employees. No student, faculty and staff member can enter the university without university identity card.

DAY CARE CENTER

Day care center is a fact of life for many working ladies in today's world. GC Women University, Sialkot offers the facility of a day care centre within university premises. Recently a spacious new Daycare Center, funded by HEC, has been constructed. It is working under the incharge of Mrs Farah Talat, qualified in child psychology. In addition, four lady caregivers and a sweeperess have also been hired by the university to take care of infants and kids. They are healthy, efficient, and vigilant. In this way, competitive staff looks after the centre and higher officials visit it on regular basis to check it's working. The air-conditioned daycare centre at GCWU Sialkot has many other facilities such as essential kitchen equipment like microwave oven and refrigerator. There are rockers and many toys for kids of different ages. This more spacious daycare centre also has open play area and a big-sized LED in the hall for recreation of kids when they feel tired.

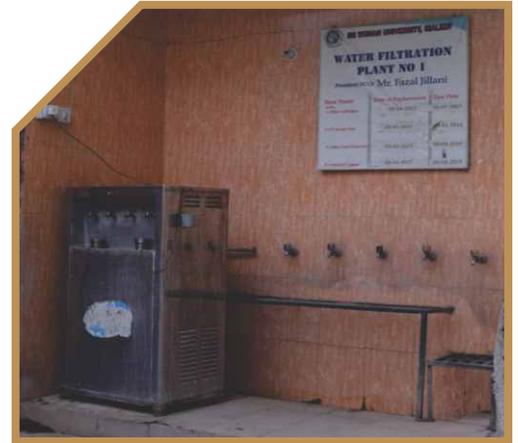

MOSQUE

There is a beautiful mosque adjacent to the girls' hostel in the University for offering five times prayers.

WATER FILTRATION PLANT

There are two water filtration plants in the University in order to provide clean water to the students.

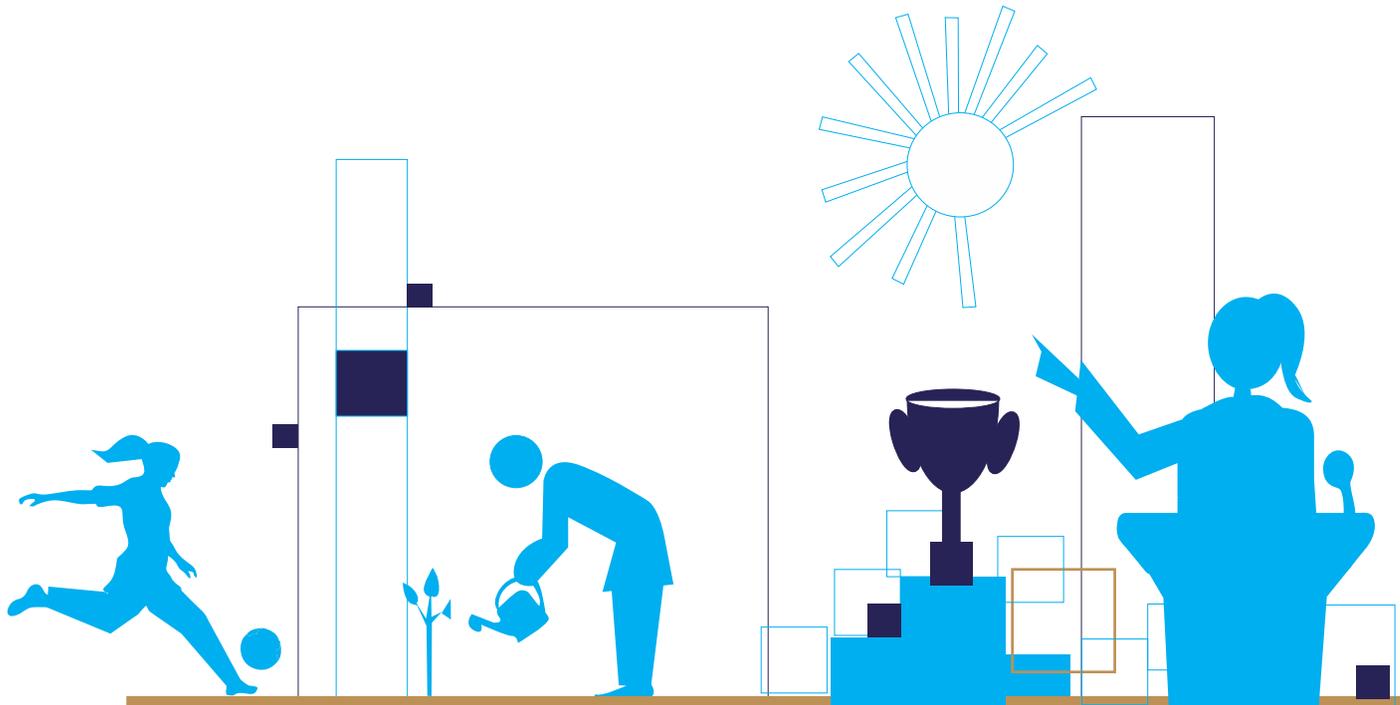

FINISHING SCHOOL

Poise, grace, elegance, dignity and style! That is what a finishing school is. A finishing school is a program basically intended to teach deportment and etiquette to young ladies as a preparation for their entry into the social setup.

As the name suggests the finishing school course follows the primary academic education and focuses on deportment and etiquette. It is a one-month intensive course offering a fresh approach to contemporary social skills and image management. It is taught round the end of 7th and 8th semester. The goal is to enable our students to evaluate social and business situations and to respond with appropriate attire and behaviour depending on the variety of cultural circumstances. Govt. College Women University, Sialkot takes tremendous pride in being the only University around equipping the female students with this kind of education for the challenges of the global world.

Finishing School Team headed by a senior professor narrowed down some vital leadership skills to be instilled in the students. The skills include IT Skills, The Art of Communication, Personality Development, Hobbies and Skills, Dining Etiquette & Cooking and Social Graces.
